

Create a beautiful flourished and gilded Snow Queen Swan in this special edition December Flourishing Club. Our graceful swan flourish will help to celebrate the peace and tranquility of this Festive season. With a light touch, a winter inspired palette of frosty blues, winter white, forest greens and gilded accents, we will bring this elegant design to life. With a touch of sparkle and extra flair, this will be a delight to create in last flourishing club of 2026. Let's celebrate the skills we have learned together. All skill levels are welcome, even if you are new to the Flourishing Club.
