

Step into a world of holiday magic and historic elegance! Throughout this class, we will design a stunning, illuminated border that marries the timeless beauty of Festive Rinceau Motifs with the whimsical charm of a winter's fairy tale. Guided by Medieval Illuminated Manuscripts, this class focuses on expanding your design skills and refining your gilding and painting techniques. We will build upon the skills learned in *Fascinating Floral Rinceau*, elevating those designs to give our borders a vibrant and festive look. Let your imagination soar as we infuse these historic designs with a delightful Fairy Tale touch through inset motifs or branching designs. Our borders will feature a whimsical mouse or bird within the glittering motifs. All skill levels are welcome in this beautiful class that celebrates the holiday season.
