## Equipment & Materials List

### ONLINE Paper Embossing for Christmas Tues 9<sup>th</sup> December 2025 at 2pm

#### Suggested materials

- A few sheets of A4 Light coloured papers 160gsm for embossing (Papers for Pastels or Watercolour work well)
- A couple of sheets of A4 Card (around 200gsm weight) for your template
- Embossing stylus - Ball-ended (small 1-1.5mm)
- Craft Knife (round handled)
- Swann Morton Number 11 blades
- Cutting Mat A3 or larger is better – A4 may be a bit small
- Light Box (Mark uses an 'old school' box – Glass with a light behind it) but a digital 'light pad' can also be used
- A sheet of A4 tracing paper
- A bone folder (or tool to smooth the edges of the card down)
